PA1907KT	PANEL AL FLT SOLID 19RM 4U Kt	7.00" 4U M, F, P, E

Solid Flat Aluminum .125" Thick Filler Panel

A wide array of rack mount aluminum filler panel options are available for your Stantron® products. Panels are available in solid, perforated, vertical slotted, or horizontal slotted styles. Also available in a solid flat filler panel without flanges.

Finishes Available for PF Series:

H3	H9	M
Aluminum (Mill) Finish	Aluminum Black Finish	Black Powder Coating

Specify finish code at end of part number—

Example: **PFAS1901H3**
-OR- **PFAS1901H9**
-OR- **PFAS1901M**

Painted Colors Available for PA Series:

Specify color at end of part number: M = Black, F = Computer Gray, P = Light Gray, E = Royal Blue. Example: **PFAS1901M** for Black, **PFAS1901F** for Computer Gray, **PFAS1901P** for Light Gray, **PFAS1901E** for Royal Blue

Steel Filler Panels

A wide array of rack mount steel filler panel options are available for your Stantron® products. Panels are available in solid, perforated, vertical slotted, or horizontal slotted styles, in four colors. Also available in a solid flat filler panel without flanges.
